

Greater Pacific Region of EGA

GPR Designers 2012 order form

Greater Pacific Region presents *GPR Designers 2012*, a new collection of four exclusive designs created by GPR designers. Income from the sale of these donated designs will be used for GPR education programs.

These are perfect for stitchers who want to stitch a smaller project but still explore new stitches or techniques. They are also great for a member-led chapter program or workshop (each stitcher will need her/his own copy of the book).
