Liz Coder Stamp Scholarship

Liz Coder Stamp of Redwood Stitchers had a reputation for creating smiles wherever she went, especially with her stitching friends. Liz loved many embroidery techniques, both learning and teaching. She held multiple chapter positions, and adored Region Retreats, usually becoming the life of the party. Having been very excited about Vines and Stitches, Liz was saving as fast as she could and had planned to attend for the entire week, hoping to be a class angel. Liz tragically lost her life in an arson fire that destroyed her home in June. A group of her friends want to fulfill Liz's Seminar dream by helping to send a member in Liz's name.

It is a one time scholarship in the amount of \$800 available to any member of the Greater Pacific Region. It is meant to partially cover cost for the 2018 GPR Seminar in Sonoma excluding travel, kits, and off-site lodging.
