

The Greater Pacific Region of the Embroiderers' Guild of America announces **Virtual Workshop – Strawberry Huswife with Deborah Tirico!**

Registration Opens: January 17, 2017
Registration Closes: March 1, 2017

This sweet sewing kit is based on the civil war huswife folding sewing wallet, an ideal place for your sewing accoutrements and a perfect gift for a stitching friend. This project is equally beautiful on a white or black background.

Students will learn to make freezer paper patterns, a placement guide template, embroidery guides and a variety of appliqué techniques including the tack stitch, needle slanting techniques, the quilters knot, and stuffing and layering methods for creating sculptural dimension in appliqué. A variety of basting techniques will be presented for increased accuracy along with surface embroidery stitches used in unique combinations. This is a beginning/intermediate class.

There are 5 lessons that will be delivered in a PDF format via a CLOSED Facebook Group that will be set up especially for this workshop. All participants in this workshop will need to have email, join the Facebook Group, and have or download the free PDF reader from Adobe. Instructions will be provided as needed. The teacher will be available for questions via the Facebook group.

The first lesson will be provided for download on or about April 19, 2017. The other 4 lessons in the form of PDFs will be available for download in 1 week intervals. The Facebook group will remain open for questions and information sharing for 2 months from the date of the last lesson.

There are 2 color ways – white or black. The kit contains white or black felted wool fabric for background, red and green felted wool fabric for the strawberries, matching wool threads, #5 red perle cotton, pattern and photo of finished piece, and crewel and tapestry needles. Students should provide thread for basting, glue baste-it (or equivalent) and black sharpie marker.
